Jl. Sei Tenang No.3 Kota Medan, Sumatera Utara 20119

A 22-year-old Computer Science graduate from University of North Sumatera with a GPA of 3.85 out of 4. I possess problem-solving abilities, strong analytical and planning skills that contribute to effective decision-making and have experience using JavaScript. My curiosity makes me eager to continuously acquire new knowledge. With excellent communication and presentation skills, I can convey ideas clearly and concisely.
